The Lady:

Really as per her photos and description, watch out for some new ones soon. She is a beautiful curvacious brunette with quite simply the most stunning eyes framed in a beautiful face set off by long fantastic hair.

The Story:

I have visited Soozie quite a few times over the last couple of years but this is first time for review on punternet. As you will see she has nothing but excellent reviews and I would confirm that is because not only is she very beautiful she also provides a thoroughly professional service but in a way which is special to each client. As said above its her eyes for me just to see her look up at you whilst sucking on your cock is something special so I enjoyed quite a bit of that, followed by wonderful cowgirl which she seemed to enjoy followed by a wonderful come in MISH looking into those eyes. I then returned the favour as her come face is joy to see, then it was more of the same with watersports thrown in as well to finish off another great visit.
