The Lady:

Beautiful slim girl, around 25 I would say. Very close to photos on website.

The Story:

Unfortunately the only thing this girl has got going for her is her looks, a real Dead Fish Experience. I was treated like something she had brought in on her shoe from the moment I got there. This girl seems to be disgusted by her work and treated this customer with disgust. I insisted on going through with it just because I was pissed off with the way I was being treated but it was not an experience I would want to repeat. This is a girl to be avoided.
