The Story:

india is a hard one for me to describe, the style and the way she goes about things isn't really my cup of tea, she's VERY FULL on!!! BUT on that note she was very friendly, she put a lot of effort into the service, i can't fault her for putting 100% into it. myself i will not be seeing her again, she's just not my cup of tea but that doesn't mean she's bad/shit, and if you like your women to be full on with you, then by all means go see her
