### The Premises:

Lovely, smart flat/apartment impeccably maintained and presented - super sized rooms and en-suite facilities - very safe and discreet - local street parking

### The Lady:

Tall, slim, leggy, softly tanned and toned body, topped by a mane of silky brown hair framing a perfectly sculpted face and arresting deep blue eyes - an astonishing combination - breathtaking. And this feline creature is always an impeccable and stylish dresser in her choice of welcoming outfits - exquisite - such taste! So - although the previous reviewer, one plagiarist iBone has stolen my best descriptive words they can be repeated because they are so true. Smart, stylish, intelligent, funny and so easy to make laugh and laugh with, warm, soft, sensual, sexy, acutely responsive and sexually aware - so totally female - this is one very special lady. I adore my time with her - and her enthusiasm to experience, share and embrace 'things new'. I'm just smitten - and she's a great cook and gourmet to boot! I smile at the very thought of her.

### The Story:

Lucy and I luckily share a common (partial Italian) background so we have a head start establishing the kind of sex that suits us both - naturally. It just comes together every time - lots of gentleness and caressing and respect - and recognition of 'today's feelings' - gradually building towards a natural outcome and ensuring we're always together in that. I like that and enjoy giving as well as taking as she's just so sexually aware and responsive - and it creates an outstanding and satisfying GFE every time. 'Vanilla' sex it might be (except some of our role play 'experiments') but that suits me and takes me back to her place with great anticipation and enthusiasm - always.
