The Premises:

Nice place and easy to get to from the station. Had no problems finding it.

The Lady:

She has big heavy breasts on quite a small frame of a young woman. Pictures are accurate. She says she has done modelling, I can see why.

The Story:

Down to the business after a drink.

Lots of kissing and groping, before the clothes came off.

Not surprisingly, I paid lots of attention to those massive tits! Licking, slurping, kissing - loved it.

Cock was hard and asked for BBBJ she sucked it well on her knees. Then 69.

Sex in cow girl. Bit of rest before round two. Tit fuck then long missionary to finish.

Nice massage and I got cleaned up and dressed.

Will try and see her again.
