The Lady:

Eva is a short girl, more curvy than her pictures, which is good for me! Big large tits, great fun to play with. I'd say she's a little older than her photos. Great skin tone for you guys who like darker girls.

The Story:

Promptly turned up 5 minutes before my incall session. Looked great, dressed in a winter coat and heels. Greeted me fondly - no awkwardness. Felt like I was seeing her again, though this was my first time booking. She was sexy with three capital x's. I mean, wow. I was impressed. Maybe some of you might want a girl with a bit more classic beauty, I prefer a girl that looks like she can suck a good dick, and Eva doesn't disappoint.

Sorted out her 'gift' as I think you call it. Then it was action stations. Wasn't interested in a GFE, wanted it rough and hard so we started with a little OWO. She was sucking me off furiously, head back and forth, her hands twisting around my dick, her other hand grabbing my balls. It felt amazing. It's like she was possessed or something, hell bent on getting me to cum. We then moved onto a bit of cunnilingus and rimming. She loved having her arsehole licked - tight little whole was prime for my tongue!

I then bent her over, on all fours and started fucking her from behind (johnny on of course). She was making all the right moves, her ass pounding back against me. I flipped her over and fucked her hard. Those big ol titties flopping around whilst she moaned. Her accent was fairly thick, but I like it, something about eastern european girls that gets me.

We went for a while but I couldn't hold it in a cam all over her breasts. She was on her knees in front of me, holding them up like a plate. Sexy as all hell.

Could have gone for another round with the hour, but voted for a massage instead. Was decent, not the best but I enjoyed it. Over all would give the experience a 8/10

Would maybe book again, but I don't know. Absolutely do recommend though.
