### The Premises:

Hotel that looked a bit down and out. The toilet was broken, there was no running water from the sink. Parking was difficult. She is based in Oxford on Southfields Road.

### The Lady:

Pretty much matched her pics, but had made no effort to smarten up.

### The Story:

Took an hour to get there. Parking was really difficult.

Finally found parking, she asked me to ring her once outside her hotel, which I did. Was led to a room, which was not very well kept. Her friend kept knocking on the door every 3 minutes.

Paid her for 30 minutes, sixty pounds. From this point forward it just got worse. She then went of the room with the money, and came back 5 minutes later.

She then stated she was on her period and could not have sex, only covered blow job and hand relief were on offer. I was disappointed with this, and asked why she had not tiled before.

Anyway, decided to stay. She performed some Covered Blowjob, and then Hand relief - this took all of about 10 minutes. She did not like her breast being touched, as she said they were sensitive.

After 10 minutes, she wanted me to leave. I stated I had paid for 30 minutes. She put her clothes on and proceeded to give me a massage for 5 minutes. I asked for some money back and she refused.

Left after 15 minutes in total, disappointed. Absolute scam. Avoid.
