The Story:

This is my first ever review i just had too show my appreciation to this lovely lady. i am in my early 50's & to be honest a bit overweight. i like a GFE & don't very often come away from a visit to a younger lady totally happy that i've had a GFE. But Bella was great she could have been my girlfriend because she was so natural & made me feel good. no details i'm afraid but let's say everything i wanted to happen did happen including some lovely kissing which helps my enjoyment a lot. Thanks for a lovely time Bella i will see you again soon. Ian xxx
