The Premises:

Very comfy easy to find flat in safe quiet posh street. Flat extremelly clean.

The Lady:

Slim, petite model like appearance. Dressed exactly as I had asked her to be. The pictures in Abigail gallery go no-where near how lovely she is in the flesh.

The Story:

We met at her flat and I felt really welcome. She looked like a Hollywood star! It wasn't long after a chat to get to briefly know each other, that we had each others clothes off. I could lick her pussy all day, her legs are amazing and when she puts her bum in the air it's amazing! She sucked my cock like she really loved it and loved that more because of this! I adored playing with her. We chatted for a while which was nice too. She doesn't clock watch so you don't feel like you gonna get kicked out at any moment! She also smells great and has beautifully soft skin. My only complaint was that 1 hours was not enough..lol

What an amazing girl!!! Perfect. treat her well lads. I'm going to come back for more asap.... It was relaxed and very, very sensual; a truly unique experience.
