The Lady:

A gorgeous Indian girl, her site says she is 25 and I would have to agree, she is about 5'6" and cuddly with deep brown eyes you could fall into and the most beautiful smile.

The Story:

Sasha arrived at exactly 8pm, dressed in a Leppard print dress, all very discreet excellent for a hotel booking. We quickly delt with the money side of things and had a bit of a chat and a drink. After a short while we got undressed and moved onto the bed, I spent some time exploring her body before indulging myself with my tounge on her pearl, Sasha appeared to enjoy this. Sasha then returned the favour carefully exploring my cock with her tounge before taking my in her mouth, it was not long before she made me cum for the first time. We returned to our drinks and talked some more. We did not talk for long as she had my cock in her hand and had me ready to go in no time. So back to the bed and on with the rain coat, we started with a bit of the good old missionary position and whent on to some doggy before she finished me off with some cow girl. All in all a very satisfying GFE. The next time I am in a London hotel I know I'll be booking Sasha again.
