The Premises:

The Lady:

The photos make her look absolutely perfect like a playboy model, and they are true to life but she isn't THAT perfect looking. Don't get me wrong she is a very good looking girl and her body is mostly tight and firm. Very sexy!

The Story:

The agency was good as always, usually prompt responses.

Erin Arrived on time.

She is very nice socially - if it wasn't for the language barrier. She has limited English I could tell she sometimes didn't know what I was saying, other times she made it clear she did not understand. Its obvious she's a lovely girl if only it wasn't for the language barrier.

No clock watching, however her phone was constantly on the go from her friend and mainly from her driver letting her know exactly what he is doing, he needed the toilet and all sorts of things, I had the feeling he must have been her boyfriend or he wanted her to be, when I asked she said he wasn't.

She was very relaxed and all was well for her.

Sexually; she is very boring; no kissing of ANY kind - tender kisses on her neck was a no go it was too tickly, not even light kisses on her lips. OW was a must so no chance of OWO - fair enough as some women are like that. No chance of anal even for a finger tip - again fair enough as many women don't like it. No licking of her pussy/clit, no 69.

Sex was almost robotic, she seemed overly concentrated on being prepared to tell me to stop - I was only going at it slowly-medium pace and I'm only average size. Earlier I'd asked had she had any clients that day to which she responded no. She was highly reluctant of me to try give her ANY pleasure of any kind. I know I'm paying for it but I'm not a client who is all about wam bam thank you mam.

She clearly doesn't enjoy sex with strangers paid or not. Her opinion is that sex and kissing is purely for a relationship. In my opinion she should not be doing this work, she see's it as easy money so she will keep at it. She mentioned the agency is not good for her that other agencies pay more - I thought how has she got the cheek to think she could justify earning more money from a different agency...

Very sexy looking and friendly but her mindset is BY FAR not naughty/dirty enough for this line of work.
