The Lady:

I have often said in other reviews about photoshopping of faces and bodies however in this case Emma has the super fit body etc as per her photos beautiful fit blonde polish girl in early twenties.

The Story:

I am somewhat partial to beautiful polish blondes as Abby knows so as Amanda was on hols she recommended another stunner in Emma and whilst I was still a little uncertain whether she would match her new photos but WOW she did and some, fit or what with the most delicious tight bum and although the boobs were enhanced they were not overly so and suited her. As for the service well that was excellent and she loves A levels which suited me fine and in fact she insisted we start with that, what a naughty girl and she also wanted a really messy facial as well after a great deep throat experience would highly recommend great girl with a really nice personality and who was very keen to please will definitely return. Thanks again Emma you were one saucy maid Geoff x
