Very mature hostess, I guess in her 60's but decent body for her age

The Story:

Booked 30mins by ringing ahead as the girl I wanted hadn't turned in. Arrived 5 mins early after an hour's drive only to be told that Lauren had gone home early. I was seething at the lack of professionalism. Didn't ring true anyway so called after I left and lo & behold Lauren was available. I am a regular customer too so to lied and have waste my time wasted is truly unforgivable.

Any punters considering spending their hard earned money here I would urge them to reconsider and opt for somewhere that they actually value their clients and do not mess them about. There was another older type hostess there called Nikki available but having wasted £30 on her before when she couldn't accommodate more than my bell end (I'm bigger than average but its not a monster) I chose to leave. Really poor service provided all around.
