### The Story:

What a complete waste of money. May as well have been the oldest virgin in town with the way she flinched and whined about accommodating little more than my bell end. She called time out on doing it doggy style after 5 - 10 mins because she couldn't handle it. I'm bigger than average but it's not a monster. Went to missionary position and the same story with her holding my hips to prevent full penetration. Suggested that another more accommodating girl finishes me off which meant paying twice - DON'T THINK SO- but nice try! Eventually managed to climax with my sheathed tip & very little shaft inside her. Made her apologies but simply not good enough. She didnt even have any lube in the room. WOULD NOT RECCMMEND NIKKI.
