### The Lady:

The description of Emily is accurate on her profile. But not her photos.

### The Story:

I was very excited to see this lady from the reviews I had read.

My initial impression of her was not the popular 10 out of 10 score given by other reviewers. Face I would say 7/10 and body 8/10

As for the service I could not fault any part and would give her 10/10. She has a warm and pleasant character.

The one thing that I was not expecting was the amount and size of the tattoos she had. If you are not a fan like myself, I would have preferred to have known about them, so her photos can be misleading.
