The Premises:

I think the flat has been well mentioned in previous reports. I was shown to a pleasant room which included a chair for clothes, and a comfortable double bed. It seemed to be just the right temperature for the purpose.

For those who don't know MK, leave yourself plenty of time to find parking - it can be a major challenge....I parked (expensively) quite some distance away

The Lady:

I have no reason to question the website's description of this very vivacious slim black lady - 5'5", size 6/8, 30DD. She doesn't say her age on the website, and i am no judge, but I loved her slim athletic body. Photos on website are a good representation.

The Story:

I was able to book by phone for exactly the time I wanted, for an hour (as I wanted) - which I think was lucky as I rang late, and she did have other bookings. But the lady who answered the phone was really helpful, and communication was very good. Only I hadn't really worked out exactly where the flat was from my first call, so I had to ring when I was on my way to get a more detailed description (and the full address).....and then was able to use a map I had thoughtfully printed for the purpose.

I was shown to the room, and Foxy arrived a couple of minutes later. I got up and immediately we kissed and hugged. Sensuous kissing, french kissing - just what I love. We were soon continuing in just undergarments horizontally on the bed. Foxy is very sensitive to needs / desires I think, as the meeting could not have been more ideal for me if I had scripted it in detail. And Foxy seemed to enjoy our activities and my company, too. Things developed over the first 20 minutes, and we lost our undergarments somewhere along the way (Foxy thoughtfully making sure mine were placed with my clothes).

The next 30 minutes were taken up with a variety of Oral and manual activities (french kissing, oral both ways, separately and 69, rimming, etc). I was in 7th heaven. Throughout the whole experience Foxy was very friendly, just enough chat to show off her personality - which I fell in love with. She

also checked at one point to see how I wanted to finish - and then helped ensure I lasted that long. Eventually we moved on to cowgirl (covered), and Foxy slowly converted it into reverse cowgirl. A marvelous finish for me. We cuddled for a few minutes chatting, and then I asked the time (I hadn't noticed the big clock!) I was rather shocked to see the hour was gone, and felt guilty for overrunning slightly. But Foxy was still happy to keep me company while I waited a couple of minutes for a quick use of the bathroom, and then I kissed her farewell and was on my way.

Excluding a few visits to Ego massage, this was my second "full" HoD experience. The first was brilliant - 8 years ago - but this was probably even better, and ranks in my top 5 ever. I shall be looking for more trips to MK if I can get them, and Foxy will be my first choice.
