The Premises:

A new location to me. All very clean and comfortable. Directions could have been more specific to save poking around to find door to the flats (I'll contact ABs and make a suggestion).

Only downside was a noisy bed - hope the neighbors were out!

The Lady:

As photos. Slim, curvy, pretty, sexy - I had no complaints!

The Story:

I'm not the most adventurous punter so I had my usual OW (my choice) and sex in mish all with lots of boob fondling. I often ask for cowgirl at the end but deep mish with Milla staring into my eyes really did it for me so I ended this way - it's funny how the noisy bed seemed to matter less and less as the end approached! Excellent punt that deserved the tip I gave as I left.
