### The Premises:

Unusual entrance above some shops but pleasant professional interior.

### The Lady:

Quite different ladies - Peace small and tight, Yana voluptuous. In the heat of battle however they intertwine beautifully!

### The Story:

Been meaning to see these two naughty ladies for a while and I was not disappointed. Both were more than happy to put on a show, but what I loved was their willingness to suggest (or in Yana's case demand) things of each other while still keeping me at the centre of affairs. Can't fault either lady on their technique or attitude and I also enjoyed larking about on the bed with them afterwards. I left smiling ear-to-ear - what better way to spend an afternoon.
