The Premises:

Nice flat in residential street, close to St George Shopping centre. Shower facilities available. Safe area, wouldn't be a problem visiting at night. Parking was bit of a problem as most of the streets are residential permit only with few bays for pay and display. There is a tesco which is about 10 minutes walk that has 2 hour free parking. Next time i will park there.

The Lady:

Gorgeous russian petite blonde babe with blue eyes. Size 4 about 5 feet tall, lovely pert bum and nice tits. I would say in her early twenties.

The Story:

Wonderful GFE. OWO, DFK and dirty talk. Before i popped into the shower i asked her to keep her clothes on as i wanted to undress her when i returned. When i entered the bedroom she grabbed me and we had a long session of DFK while i removed her top and bra grabbing and picking her nipples. I then sat on the bed and sucked her tits while i removed her jeans and knickers and fingered her while sucking her boobs and more DFK.

Eventually i lay her on the bed and kissed her allover. She then gave me amazing OWO and i came in her mouth, she sucked me dry! Great eye contact while she was sucking.

After some more DFK she gave me more OWO and i was hard again and on with condom she got on top and took me in her tight pussy. Came again and then had a bit of chit chat. Pity my time was up so quick. Amazing service for the price. I can see myself being back for more and more.. If anyone wants a schoolgirl fantasy then she would be perfect.

Anal is available for a bit extra and i will defo try that next time. Found her on the other site.
