The Premises:

Flat in well visited block in Sloane Square area. Shower broken which sprayed everywhere including over my clothes! Bathroom seen better days. Bedroom functional but fine.

The Lady:

Tall, very slim, very attractive as per photos. Early twenties. I like very slim women but may be too skinny for some. Italian girl, her English is not good but overall very striking.

The Story:

Started fine, very friendly and welcoming. Had a shower but all down hill from there. OWO not on offer despite request. Poor covered bj, which she sought to terminate after 3-4 minutes. Asked her to continue which then resulted in lengthy change of condom for some reason. Clear that she wanted to finish as soon as possible. Bj not great in any case so moved on to sex with her on top, very halfhearted which resulted in me losing my 'concentration'. More sighs as she wanked me into shape. Doggy was better as not reliant on her involvement. Overall poor punt, with her complete lack of enthusiasm I ended up wanking myself off. Will not see again.
