The Premises:

A place on the Bayswater Road that I'm familiar with. Safe, comfortable and everything works.

The Lady:

Petite like most Thai ladies but a really great shape, with a firm ass and nicely enhanced, not over-the-top boobs.

The Story:

Full-on. She let me take the lead as I offered to take her clothes off. Loved having her tits massaged before I even started to unclip the gusset on her all-in-one top.

The it was off to the races - reverse oral, oral, toys, you name it. We didn't do any anal as I was having too great a time and slowed in the middle but definitely next time. So I was abused with a variety of devices until I gave her a mouthful.

And then she encouraged me to help her come to finish off the hour. Time very well spent of both of us.

A great lady who is either a brilliant faker or who genuinely loves the effect fucking and coming a few times a day has on her brain.
