Amount Paid: 180

Recommended: Yes

Details of Service Provider:

Profile Name: Admiral Escorts

Website: <http://www.admiralescorts.com/>

Phone: 07933999399

The Premises:

Well known block of very smart flats behind Paddington Station. Other girls working here over many years. In fact I visited one in the same room just a short few weeks before! Secure entry, good shower, clean and neat.

The Lady:

You always hear about the girl looking better than the photograph and usually I think this is not the case, but with Charlotte it truly is. She is more beautiful than her photos. No photoshopping needed at all. Gorgeous girl, tall, very blonde, instantly recognisable from photos. C cups (enhanced) with nipples that stand out long and proud. None of those flat pink ones, these erect beautifully to about an inch long, perfect for sucking. Shaven below. Long legs. In short (tall) gorgeous.

The Story:

Door opened to a wow from me. Tall blonde with fishnet stockings and high heels. DFK on entry, the business side transacted and into the shower as I had had a long international flight and needed to refresh. On entry to her room she was sitting on the bed and had taken off her chemise exposing those wonderful breasts. We started with a lot of wonderful DFK, and I mean D. Lovely tongue action and kissing you like she was your long lost girlfriend and you hadn't met for 5 years. Rubbing my cock all the time, After 5 minutes of this bliss she bent over and started BBJ. I was loving it at this stage but wanted to give her reverse oral so she slid her panties off and lay back and I knelt between her legs and licked and licked. Lovely shaven haven with a protuberant clit that she enjoyed having tongued to a climax after 10 minutes. Then on with the condom and she straddled me. Sadly I didn't last long! More relaxing snogging, a mild massage and then I went down on her again for another shuddering climax. She speaks great English and is chatty and fun. A seriously great punt and a seriously great recommendation and I will return to this one.
