### The Premises:

Industrial estate parlour. Lots of factories around but it was very quiet at 6pm. Inside a large waiting rooms where you can chat to the ladies etc. No door fee. Clean with working showers.

### The Lady:

Donna was the only one available but pretty girl, clean, probably late 20s. Photos fairly accurate.

### The Story:

Not been here before but read some decent reviews. Donna was friendly and took me to a room where she took the cash up front. Had a good massage, onto some 69 OW. Kissing was good. Then onto some main positions and finished on her tits. Would recommend.
