The Premises:

Smallish but very clean and tidy. There is parking but I think that might be hard at busy times. Parlour is tucked away discretely.

The Lady:

Early 30's, blonde hair below shoulders and the most enormous fake tits I've ever seen. I'd come because I'd heard about a big titted girl here but jesus they are big.

The Story:

Waited in reception while receptionist brought in the girls. 3 girls were brought out but I havent a clue what 2 looked like because I couldnt take my eyes off sam. She was wearing high heels and the tiniest mini skirt with a bikini top. Wasnt that skimpy but it looked tiny trying to cover 2 absolutely enormous fake tits. I have always been into huge but because she was slim it literally looked like 2 medicine balls attached to a pipe cleaner. The most magnificent sight if you love huge and stacked. I paid for an hour and it was well worth it. Sam didnt seem like the sharpest tool in the box but that added to it. A mammoth titted bimbo - in the best sense. In between fucks we talked a bit and it seems she's married and her and her hubby live a kind of alternative lifestyle because she's obsessed with sex. You could tell that in the way she fucks plus there was only 10 minutes of the hour left and we'd fucked twice and she started sucking me to get me hard again. Couldnt believe this because I would have been last client of the day and she would have been worn out. The third fuck was probably the best because I knew I wouldnt cum straight away and I was able to bang away hard doggy style and watch those udders swing in the mirror. When we were fucking she asked me to call her a dirty slut and a dirty whore and this seemed to have an effect as she shook violently in orgasm just as I was about to unload.

Will definitely be back.
