The Premises:

Council house. A bit scruffy. The bedroom was untidy but the double bed seemed clean enough. Cases at the foot of the bed which she rummaged through when I asked her to wear stockings.

The Lady:

Pretty enough although not stunning. Romanian girl in her early twenties with dark hair and a nice figure. Very limited English.

The Story:

I wasn't impressed when not only could she not find any stockings but no high heels either.

When she stripped off she left her trainer socks on. This girl came accross as an out and out prostitute.

She did not kiss properly as it claimed on AW. A bit of covered oral (owo claimed on AW) It was 45 minutes since I had showered so I was clean and smelling of shower gel.

It was one of those punts where you think to yourself - well I'm here now so lets get on with it - You know what I mean?

I don't think its the girls who make the false claims. I think its the people who are pimping them.

I certainly won't be thinking of this punt when I have my next wank.
