Discreet basement flat in quiet upmarket area, clean and tidy inside.

The Lady:

Really liked the look of Kristine on website so booked her despite the risk involved with hiring un-reviewed escort. Very slim and attractive but claims to have put on 5 Kg since retiring from dancing due to injury and giving up smoking. Difficult to imagine her even slimmer than she is. Wore an open fronted bra during meeting, no problem touching, squeezing(gently), licking breasts so wild guess would be that bra was to cover enhancement scar. If there has been an enhancement it has been well done and without going overboard on size.

The Story:

A fairly vanilla GFE encounter but did not object to anything I requested (did not ask about removing bra or A). Would see again if I saw reviews of her being a bit wilder than she was with me. A pleasant enough encounter and she may improve with a bit more experience. sex, owo, cim performed. (Looks 9.00; Service 7.00)
