The Story:

I had a fantastic time with Chelsea, she has an amazing body 10/10 for tits and ass. She was enthusiastic and willing to give pretty much anything a go, she behaves like she's enjoying what she does and she makes you feel as if she wants to be naked with you. Yes she's a good actress but at least she makes the effort to ensure you have a good time and unfortunately that's a skill a lot of women in this industry lack.

So anyway, it went down like this, lots of kissing with plenty of tongue, I had my hands all over her fantastic body. Then she unleashed the bangers, WOW! they were really firm and she seemed to enjoy playing with them as much as I did. She rubbed them all over me and gave me a very good tit wank. OWO was next with some good tongue work, this led to 69 by which time I was just about ready to spray her tonsils. So we stopped to put the rubber on, cowgirl, doggy and mish accompanied with plenty of eye contact and dirty talk. Finished off with CIM, great punt, I'll be back to see her again. I highly recommend Chelsea.
