The Premises:

New build block of flats with entry phone system. Lots of parking options of differing prices, close to shopping centre, 20min walk from station... Premises very clean.

The Lady:

Young, very pretty girl...petit frame but drop dead gorgeous body... Romanian, her English was ok, enough to get by and have a simple conversation but I wasn't there for chatting... Pictures on the website don't do her justice, she is much prettier and I thought thinner..almost to the point of thinking I had the wrong girl...!

The Story:

Was greeted with her in a tiny pvc nurses outfit which didn't stay on long, we started with some FSK and started to undress... seemed a little mechanical to start with but once I/she was comfortable it all seemed to fit into place.. Once on the bed she asked whether I wanted OW/OWO, silly question, OWO, gave me a quick clean and off she went... really nice technique .. went on for 5-10mins and balls really aching... then into 69, really pretty tight arse/pussy (beautiful). Didn't allow finger in either although i could probe the outside. Spent another 10mins buried in her arse from behind which she seemed to like, grinding her arse on me.. Time to get down to FCKing, straight into reverse cowgirl and then doggy... Alas this was all too much,came, cleaned, kissed and cuddled.. more OW this time ..Started all over again and did mish to end.. She is petite little thing and she felt some discomfort from my deep penetration so made it a little more shallow... (I'm not big)..

Had a little chat at the end and had a quick shower.

Overall, super fit body, very pretty and I had a great time, will definitely return..
