The Premises:

A nearly new flat in Whitechapel just off the high street near Aldgate East tube. Clean tidy, well used, but fit for purpose.

The Lady:

Blond, slim, size 6-8, short blonde hair, quite pretty. She was very smiley, giggly, made me wonder if she was one something, but I think maybe not. She was genuinely very horny and sensitive, her body writhing and squirming throughout in a sexy way. Chatty and nice. Polish, I think.

The Story:

Was in the area so phoned on the off chance. She was available. This was a very good punt, she is nice very, even overly, friendly, but I think that is just her nature. The service was good and she was clearly very into it, we joked and laughed throughout.

Good Owo, and sex in a few different positions. I would recommend if you are nearby.
