The Premises:

New venue adjacent Warren Street tube. Seems modern , spacious & smart.

The Lady:

Italian, really nice and slim , but probably not a 6 as per the listing. Nice peachy bum. Longish hair , but kept in a ponytail. Her english is enough to get by, but not really conversational

The Story:

Perfectly pleasant experience, just slightly disappointing : a few little niggles really : no "welcome kiss/hug" (in fact she doesnt really kiss at all, just quick pecks (despite FK on per profile)). . She certainly "went through the motions"..made the right noises, did all I asked, but she seemed a little detached & matter-of-fact (by no means was she "cold" , but there was little eye-contact) It took a while for me to persuade her to abandon her chewing gum. However ,there was some nice action & a good BJ. She was quick to disengage once it was over, then that was it , despite there being 5 or 10 mins left on the clock. No goodbye hug..just a business transaction. Though to be fair to her "GFE" is not listed on her profile.

I am rather skeptical of her review by "st pancras" who certainly claimed to have a much better experience than me (but then he has very similar things to say in all his HOD reviews..)
