The Premises:

Town house close to shopping centre. Lots of parking (40p hr), 20min walk from station... Premises very clean. Shower is a wet room, clean and loads of towels. Nice room..

The Lady:

Tall, leggy, thin young lady (22-23). Tats on hips, arm and upper leg I think, quite noticeable arty ones... Pictures on the website look about right in terms of figure just lacking the tattoos.. Didn't bother me... Wore very tight black dress and velvety boots as per the website..

The Story:

She has been on my hit list of quite a while, lovely figure, tiny butt, easily hold a cheek in one hand ! Arrived in room a few minutes early and Katie arrived dead on the hour, she asked me what I wanted (GFE) otherwise whatever comes up.. asked me to get undressed and we had hug/minimal kissing so thought might as well get on with it.. enjoyed her tight body, B cup boobs, pussy and arse... benefit of a small butt is easy access from the rear ;) Spend a little time on RO and rimming.. happy days.. moved onto mish, spooning and from rear, with such a small arse you can really get in there. Came on her tits.. Chatted for a few minutes...and then onto some more fucking...Might have rushed back in too soon and something didn't click...wasn't really aroused and was just going through the motions... managed to get hard again with her grinding her butt against me, tried a few times to come mish/BJ/HJ and eventually came... not exactly a happy ending.. called it a day...Katie was chatty/enjoyable/professional throughout but I think she wasn't my style, hence mind over matter wasn't possible!

Quick shower and out...
