Details of Service Provider:

Profile Name: Invasian Asian Escorts London

Website: <https://invasianescorts.co.uk>

Phone: 07920156455

The Premises:

Easy to find due to good description from the agency. Large basement flat with sofa and bed, and shower in the hall. Nice appartement for this sort of occasions, in short walk from various underground stations.

The Lady:

Patsy looks good. Typical thai size, and slim with enchanced breasts. Smiling and friendly and lead me in to a good atmosphere from entering the door. Pictures on the website is of course a little glossy, but no doubt that it is the same lady. Was wearing outfit as requested.

The Story:

Patsy is a pro who knows what it is all about. A service provider who pushes the righth buttons, and are eager to fulfill your wishes. Had no barriers and was no clock watcher, and had focus on what we did all the time.

Started with great BJ on the couch, before processing to normal sex in various position on the bed. Had requested A-level and this was fulfilled in all requested ways the last 20 minutes. Impressingly how Patsy handled this and by far the A-level expert above all others I have visited. Recommended!
