### The Story:

Wow. Sensational. Made me feel like a stud as Lacey came at least 5 times during our session. She can gush for England. I don't think there is a need to go anywhere else now, this will be my last report as I have found punting perfection. Finished off session by filling her mouth with my hot cum. This did not feel like a punt, just a meeting of two like minded people intent on pleasuring each other.....see you soon Lacey x
