The Premises:

Yet another new Annabellas location for me, but close to their main location, close to shopping centre, plenty of parking. A very nice modern flat, en-suite bedroom, warm and comfortable.

The Lady:

I chose Jenny as other reviews were good, even though her photos, with the exception on one, give the appearance of a fairly stern face. How right the other reviewers were. Jenny is probably one of the prettiest (a word seemingly seldom used) escorts I have been with. A lovely face, lovely eyes, and a wonderful smile. A few piercings and tattoos, but all attractive. Looks younger than 29, great body.

The Story:

I was after a bit of dom followed by kiss and cuddle GFE. Jenny explained she like to know her clients more before dom, so we agreed on some spanking, then the GFE. I got undressed, bent over the bed, and Jenny gave me a very sensual spanking session, getting me really hard. Then laid back on the bed for some nice cuddles and caressing. A lovely kisser, always with the lovely smile and eyes. A session of oral followed, a little disappointed it was OW not OWO, but still very nice. Jenny then asked what position I would like for fucking her. I said first I would like to give her oral, which she welcomed, along with kissing and caressing her all over. Very pretty there too, Jenny clearly being responsive and appreciative. Straight sex followed, but before I could come I had my usual problem of starting to lose it with a condom on so unable to finally shoot my load. More nice cuddles and sadly time up.

Probably the nicest "girl next door" experience I've had, even though I didn't come, and probably that wouldn't have been a problem had I booked more time with Jenny and not been under time pressure at the end.

Thank you Jenny for a lovely experience. Even though I didn't come I still left a happy man. If I get to see you again I'll book more time so as to appreciate you more and be more relaxed.
