The Lady:

Luscious bubbly & vivacious, Angelina is a tall slim curvy, large natural bust, mid 20s blonde with a infectious smile, no words can describe her beauty.

The Story:

She was gentle to start with however she was keen to satisfy every need required. By the end I was both sexually satisfied and pining for another visit in the future... She was impeccable with her manner and very professional, I would recommend her definitely to both the pro punter & new punters thinking about trying this. Angelina is class A+.
