The Premises:

Smart flat in a typical Mayfair building. Shower facilities clean, bedroom spotless.

The Lady:

Attractive busty Latvian lady around 30 years old. Pretty face with a glamour model-type body, featuring perfect big boobs and a shapely bum. Greeted me at the door with pink and black lingerie set and stockings, as requested over the phone.

The Story:

After showering, we shared a glass of wine and talked about nonsense while she rubbed her hand on my crotch and I felt up her boobs which were spilling out of her bra. We undressed on the bed and I got to lick those terrific boobs and then on down to her shaved pussy for some reverse oral which we both seemed to enjoy. Sex in various positions followed, and with a squirt of lube to help matters, she let me enter her bum, which was enough to finish me off. A sexy time with a sexy blonde lady who enjoys her job.
