The Premises:

My hotel room. Getting Taylor in was a bit of a pain cos of the need to use keycard to get into the room corridors but we managed.

The Lady:

Met Taylor in the hotel entrance. Medium height, slim. Pretty face and dark hair. Pics accurate.

Wearing skinny jeans. Deffo English. Dark hair not quite shoulder length.

When she got ker kit off nice slim body. Nice hairy pussy.

The Story:

Once in my room I did the paperwork then we got on the bed for a cuddle and chat. Some very nice snogging. Then a bit of oral before we did 69. Quite a lot more playing before on with the condom for an enthusiastic asian cowgirl.

Finished with spoons, my favourite. Cuddle after which is always nice.

Nice one Taylor - I will be back.
