The Premises:

HOD have moved again, this time to warren street. They are in a block of flats and the intercom wasn't working on that day. I had to wait till another punter who had come to see the other girl, Valentina, was leaving before I could get in. The maid didn't want to keep coming downstairs to greet gentlemen callers. Once inside I was greeted by said maid who is the same dead fit one that was in maida vale. The place was tastefully decorated. I was shown to the room and beforehand caught a glimpse of the aforementioned Valentina, and have made a mental note to pay her a visit.

The Lady:

Diana is a Polish girl approx five foot five, fake tan. Fabulous body, reasonably pretty. Not a humdinger not a minger. The site says she is 31 but I would put her nearer 35.

The Story:

Diana was in her bra and panties and gave me a quick cuddle before asking me to strip down to my underwear for a massage. Next she began to lick and caress my nipples and then teased my cock out of my underpants. We enjoyed some good kissing including FK. Next she kissed my cock and licked my balls. I rubbed myself off against her lovely breasts and then fucked her doggy style in front of the mirror. Diana then commanded me to hold back from cumming and asked me to lie back on the bed so that she could play with my nipples while I wanked my self off as she watched me come all over myself. Diana is a fantastic girl who is very friendly and very enthusiastic and is well worth another visit.
