### The Premises:

Easy to find, discreet entrance. Plenty of parking or near to various tube stations I noted. Very clean, modern, well set and a romantic atmosphere with candles and incense.

### The Lady:

Other reviews have described Angel as beautiful and they are so right. Simply stunning, from the tips of her toes to the top of her silken hair and completely natural beauty. Amazingly though Angel has no attitude and doesn't seem to realise just how beautiful and drop dead gorgeous she is, which just adds to her allure; yet Angel is genuinely friendly and warm. I was bowled over by how lovely she looked opening the door in some delightfully naughty lingerie and almost had to pinch myself to believe she was real! Her body is amazing, velvet soft skin, luscious soft lips and dark mesmerising eyes. Angel is a class above the rest, particularly some girls who have recently increased their prices to the same level; they just don't come close. On top of being divine in every way Angel has an entrancing and delightful voice - it mesmerises you into a dream like state!

### The Story:

Angel has the perfect attitude; she seems to sense what you like and how to make you relax, offering herself up for your pleasure and to dine on. A mixture between GFE and a raunchy wild style if you prefer. I cannot recall a better experience in every department and every way and unlike many offers you OWO if you prefer and will let you enjoy every part of her gorgeous body. If you like to dine well and she will be best meal you ever have to satisfy any desire. Coupling with Angel felt heavenly, she is tight and wet and if only such moments would never end as she has a natural way that everything just flows smoothly for one course to the next. An hour zipped by and I can see why many punters extend their bookings and it is difficult to decide on more regular bookings or longer sessions! You could spend hours with this lady. Pure unadulterated pleasure and the most wonderful time. I would highly recommend and will most certainly be back; mental note to admonish one's self for not visiting earlier! Thank you Angel, you truly are an angel. x
