The Premises:

Saskia works from hotels around center of London. When I met her, her hotel was located near Tottenham Court Road. The room was small, but clean.

The Lady:

Very pretty lady. She is advertised as being 31, but she looks much more younger. A very beautiful body which has been shaped in the gym. Not one ounce of fat. Natural breasts and a very peachy bum. She has a beautiful and real tan.

The Story:

When Saskia opened the door, a very attractive and beautiful woman opened the door. She was dressed in a very smart, yet sexy dress (I would describe her as sexy and elegant.

Saskia was also easy to talk to and put me at ease very quickly. It was impossible to keep my fingers of her. So after a quick shower the fun could start. And I was keen to get her dress off. Her BBBJ was fantastic and she really enjoyed OWO. Sex was great and I repeatedly needed to slow down and catch my breath. She has a great stamina and being with her was an amazing experience.
