The Premises:

Town house close to shopping centre. Lots of parking (40p hr), 20min walk from station... Premises very clean. Shower is a wet room, clean and loads of towels. Nice room.. bed not squeaky ;)

The Lady:

Long dark hair, tanned, 34C boobs sounds about right.. website pictures / measurements pretty accurate.. maybe slightly prettier.

The Story:

Tina has plenty of positive reviews and I wanted something reliable... Booked a 45 min session which seemed about right, although i'm worried about having post-punt showers eating into my time... didn't have to worry today..

Arrived a few minutes early and the maid.. a friendly lady chatted a little beforehand... showed into room...

Tina arrived on time and asked for the money up front... £90, seems to be the case with the EE girls.. the UK ones, the 3 i've had, always say don't bother about that now... later..

Anyway, to start Tina was a little quiet and business like, she asked me what I wanted .. said not that bothered, whatever happens.. Started kissing and undressing, she started to undress me but TBH it easier/quicker if I just strip myself.. she did the same.. Straight onto the bed for some passionate kissing, quick clean with a wet wipe and OWO. Not bad, not quite deep throat but deep enough.. Moved onto a 69 and things started to hot up... Spent the next 30 mins RO and rimming her.. love it.. She was getting quite worked up and started to massage her arse and slipped in a finger in whilst fingering her pussy, seemed to have the right effect.. Plunging thumb/finger in both holes whilst licking her clit.. All the time she is going hammer and tong on my knob.. Ended in a H/E and we lied back to chat...

Now I'm getting worried i've got less than 15mins left (less shower time!) and haven't fucked her yet,

bugger.. I'm soft so start licking/caressing her tits and they get aroused nicely..more moaning from Tina.. start fingering her, really wet and she is off again.. she starts to frig herself with both our fingers, mine slipping into her arse and sucking her boobs.. Let her finish, i'm hard again and we end with a little mish..

Look at the clock and we have over run ... yippee, go for shower and out after an hr later.. love running naked across the hallway to the shower!

Overall, bloody good punt, memorable and fun...not quite a fucking punt but a RO/rim special..her arse was so beautifully tight.. Great girl..
