### The Premises:

Pleasant modern flat in discreet location.

### The Lady:

Tallish, slim but with nice curves and medium-sized but ample chest. Attractive face and nice eyes. Outgoing, friendly personality.

### The Story:

Wow! What can I say except 'mind-blowing'. Helen is very warm and tactile with a delicate but tantalising touch-she kept me on edge for the best part of an hour except that I had to take a few rest breaks just to cool down and avoid peaking too early. Along with DanishPia Helen provides the best Girlfriend Experience that I've come across so far. She is dedicated and obviously experienced and it looks like she's got enough up her sleeve to keep all sorts of punters happy.

She employs a very friendly maid who made a good impression when I phoned to book.

Incidentally, I only booked her for 45 minutes but by the time we checked the clock an hour and 5 minutes had gone past so it shows how much she was concentrating on giving me a good time. I nearly didn't make the appointment as I had hurt my back the day before but I'm so glad I went.

She's definitely too good to miss.
