### The Premises:

Smart block in the centre of Windsor. Private gates, so unsure and parked nearby. Cheap enough. Flat is clean, better than average.

### The Lady:

Oh dear, had such a good run, but now this. Switch n bait. Not the girl in the photo. I asked her name and she said Sophie. I said your not Abbey then? ( she clearly wasn't) . Claimed it was her real name. Yeah right. Pocket sized Romanian. Not to my taste, Should have turned and run. Fit enough, just doesn't do it for me.

### The Story:

Admin out of the way. Took shower. Offered massage that went on a bit too long. Not that relaxing and not erotic ( she wasn't tickling my balls anyway). Flipped over , asked if I want a blow with or without, Without. Nothing fancy. Moved across her ( whatever her name was) and was going to explore. No DATY ( it tickles her). No FK and said no CIM. All listed on the services but clearly not today. Think this is called a " Vanilla"...but it wasn't tasty to me. Tried a couple of positions, but went for a doggy to finish. 15 mins of action if I was lucky. Offered a shower and to take my clothes, said what about round 2? She said she could give me a hand job. Declined and thought that's what I should have done....stayed at home and had a hand job. The 8 good reviews on the purple banner website ( im guessing) are fake. Left cheated and unfulfilled. Don't go near the place.
