The Story:

I spotted Rosie on Adultwork and decided to book her some two or more weeks later. £260 for a couple of hours is normally more than I pay but I felt some good vibes here, especially as she doesn't see under 35s.

I wasn't wrong. Our coms were good and we had a good chat on the 'phone about a week before. No soon as I got through the door she began snogging my face off and she's a great kisser. She kindly made me a mug of tea and we settled down to chat for a while.

When I began to feel a stirring down below she responded with enthusiasm and soon I gave her pussy some attention which seemed to make her leak juices a plenty. (Delicious)

I discovered she'd not tried 'lying down doggy' so we got into position and I gave her some serious thrusting together with a bit of clit frigging. Very rewarding.

Then into missionary after chatting some more - she is very interesting, well into sport esp. tennis though wrongly predicted a Murray win over Federer. I gave it some more hard thrusting which seemed to work for her but eventually I slipped of the condom and finished myself off whilst she played with my balls.

This was a really pleasant punt with a lovely woman.

As Rosie is moving to Canary Wharf area like as not I'd not see her again but would if I got half a chance.
