The Premises:

Nice quiet discreet location, private carpark, off an industrial estate.

Main waiting area quite snazzy with a tv and pool table.

Offered a drink as i walked in by friendly receptionist, but declined.

Made to feel at ease by chatting to ladys before hand, first time visiting somewhere like this so very nervous.

Room was cosey with clean bedding and a mirror on the wall.

The Lady:

Mya matches her description on the website, very nice body.

Small but perfectly formed boobs and an arse to die for.

The Story:

After sitting and chatting and having a game of pool, off me and mya went into one of the rooms.

Started with a massage, me laid on my front, her teasing during the massage.

then moved onto a little (covered) 69, jesus christ her pussy and arse are amazing.

Got told i could touch her but no fingers inside as shes not keen.

Then she climbed on top of me and started doing her thing,

nice and tight, then flipped her over and fucked her missionary, she seemed to be having a good time and i certainly did as i ended 20 minutes into the session.

laid and cuddled and kissed (no tongues) until time was up.

Overall a good first punt, hopefully the first of many
