Helen is a beautiful fun lady who's description doesn't do her justice.

The Story:

I have been visiting Helen since her time with the MK Angels agency. Her maid Rachel is always helpful in arranging appointments. Helen always gives her undivided attention. You never feel rushed. I have tried lots of different things under Helen's careful care from GFE to Domination. She has dominated me and taken me to levels I didn't think I could go, but always with my limits clearly respected. Helen enjoys herself and it shows in the time you spend in her company. I have never been disappointed in any way when I have visited her. If you have special requirements let Rachel know and Helen will probably be able to accommodate your needs within her restrictions. I have always treated Helen with consideration and respect and she has always reciprocated. I would recommend anybody to spend time with Helen you will not regret it
