The Premises:

Brooklynn's is a nice and warm place in the winter but I have found, on Sunday, it can get a little crowded. More so if one of the other parlours is closed for the day. However, the main benefit is each room has a shower and, like I said, warm. However, there are problems with parking in the area as certain roads near the parlour are shut for maintenance so you might need to walk in since parking is available in the streets nearby.

The Lady:

Foxy is a late thirties or forties model type. Educated, lovely to talk to and great to role play with. Her photos are about spot on but she has a gorgeous smile and deep come to bed eyes. Lovely boobs and a fit body, she is sort of like everyone's lusted for friend's mum/ housewife / boss rolled into one.

The Story:

Crewe seemed to be on lockdown (see roadworks above) and, with two parlour's closed, Brooklynn's seemed to be the only place open. With the line up being the gorgeous Elisha, the ever popular Sienna and, of course, the lovely Foxy. However - a bit of a shock today - it seemed some idiot/banned punter had damaged Foxy's back and hampered another adventurous session. However, it didn't turn out so bad - Foxy being adaptable and playful still managed to go through a gentle massage, OWO and ended in missionary that left me very satisfied and looking forward to our next meeting.
