The Story:

I went for dom as I had been told that lucy was the 1 for that... and she is... it was the best dom season I have ever had in my life and I will be going back...after a little chat about what I like and would do then on to busyness.. I went for spanking anal play.. with humiliation in to I got typed up spanked and then asked if I wanted another women to come down that would cost me extra £20 so I had that to.. it was well worth it.. I was made to wrk around on my hand and knees and bark like a dog. then I had the task of licking miss lucys arse and that was so nice then she fingered my arse and played with my balls..

to end with she let me wank off and then made me have my own cum.. well worth money and I will be going back or miss lucy will not be happy.....
