### The Premises:

Milton Keynes Escorts. Discreet well appointed flat with friendly maid.

### The Lady:

Izzy is a beautiful, slender young Romanian teen. Slight acne but it doesn't detract from the fact she's gorgeous.

### The Story:

I chose Izzy from the website because of the OWO, DFK and GFE advertised. She came into the room looking better than her pics and said hello with a big smile on her face... Unfortunately things went downhill from there.

After sorting the paperwork Izzy proceeded to do her 'books' for the day writing down how much she had made (hint for the future Izzy - Be more discreet. I really don't want to see how many men you've already had that day).

Then it was clothes off, no kissing, no owo. In fact she didn't even want to seem to touch my cock without putting a condom on first (I always have a shower before visiting).

It became clear very early on that Izzy either didn't want to be here or didn't want me to be there (I think the latter as she's still on the rota) and the look of boredom on her face didn't help either. It became quite clear to me that she wasn't at all interested and the little guy noticed pretty quickly as well and lost interest (Izzy made no attempt to help in that department).

Resigned to disappointment I asked Izzy for a massage. What I got was a light brushing of my back and a few disinterested looks when I glanced at her in the mirror.

Now granted it was her first day and hopefully she will improve, but this is not what I expected.

I gave up in the end. Got dressed and left after 20-25 minutes feeling horny, frustrated, let down and that I had wasted my money.

In short I had visited for a girlfriend experience and got a soho back alley experience instead.
