### The Premises:

Discreet flat in a sidestreet in Harrow she shares with another girl.

### The Lady:

Xena is a gorgeous 33 year old with a great body and a large tattoo on her back.

### The Story:

I have seen Xena a couple of times now and I hesitate about writing this. I like the GFE (as I don't have one myself) and Xena ticks every box emphatically.

She is smart, funny, chatty and OMG is she sexy.

I won't go into too much detail but she definitely enjoyed herself as much as I did (if that's possible) and her OWO technique is not so much about sucking dick as making love to it with your mouth (I told her she should give classes).

In short, she is fantastic... But none of you should ever go see her because I want her all to myself!
